Easy Handling

mobile lifting column for containers

SERVOLIFT
lifetime solutions

Experts in Handling,
Blending and
Cleaning Technology

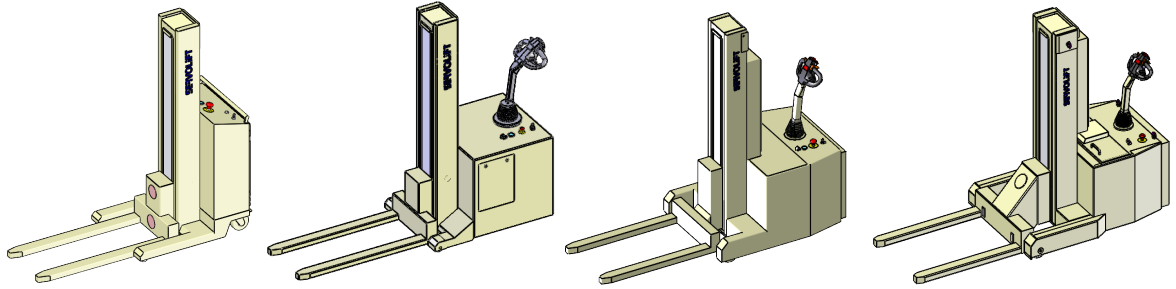

► mobile handling device

Mobile lifting column for transporting and lifting containers, bins or pallets. For this purpose, the containers can be precisely positioned - e.g. above a tablet press. The optional electric travel drive ensures comfortable load transport even over longer distances and the transport of containers of all kinds up to a load capacity of 1800 kg.
